**Good evening, everybody**, welcome to the Investor Presentation for the YEAR ended 31<sup>ST</sup> March 2024 of AVI PRODUCTS INDIA LIMITED.

We are now focused on our core business of trading in Dental Consumables and Machinery.

We will be covering the performance of the last quarter and a small glimpse of the last 3 months and the financial year ended 2023-24.

As you can see on the screen, at this point just provided you guidance, if you have any questions, I am more than happy to answer them. Put it in the chat box in the zoom call or you could raise a hand inside the zoom box.

As you can see, as of the quarter ended MARCH 2024, we had a total income of **Rs.121.88 lakhs** with a profit after tax of **Rs.9.66 lakhs** and as against quarter ended **March 2023** revenue of **Rs. 85.26 lakhs** and a profit of **Rs. 5.88 lakhs**.

We have increased our total incomes for the financial year ended 2023-24 to Rs. 505.86 as compared to last year income at Rs.369.63.

Profit after tax has increased at Rs. 25.50 Lakhs for the financial year 2023-24 as against Rs. 20.56 for the financial year 2022-23.

This is the summary of the financials of the last quarter. We wish to grow considerably in the financial year 2023-24.

We are happy to answer any questions as the attendees will have. You could unmute yourself or also type in the chat box.

Since no participant has questions, we hereby close this call for the highlights of the year ended March, 2023-24.

Thank you, we will look forward to connecting with you at the end of the next quarter in the financial year.
